

Emergency Coordination Centre Training Course

**How well
prepared,
trained and
exercised
are your
people?**

DATES

4-6 May 2010

DURATION

3 days

VENUE

Foothills Conference Centre
48 Edinburgh Road
Mooroobark, VIC, 3138

COST

Full Fee \$1900
Early-bird \$1590
Group of 4 or more \$1450 p/p

PRE-REQUISITES

A good knowledge of emergency management arrangements in your jurisdiction.

This 3 day course is competency based and is designed to create a practical experience base on which individuals can draw in a crisis.

CONTENT

Participants will learn the competencies associated with bringing organisations and resources together and managing information to support an emergency response, including:

- Commence coordination
- Establish and maintain a coordination network
- Manage resource requirements in accordance with control requirements
- Conclude coordination activities
- Review coordination

ASSESSMENT

Participants will be expected to complete:

- A pre course activity
- All assessment activities during the course
- Collect a range of evidence during and possibly after the course

Upon completion of all requirements, Total Hazard Solutions (Registered Training Organisation No. 22173) will issue a Statement of Attainment for the Unit of Competency (PUAOPE008B), which is part of the Advanced Diploma of Public Safety (Emergency Management).
